Wayne:

We would be interested in any information you would like to provide regarding your review of the PLP EBD. Any format would be useful. It is most important however that your reviewers identify the criteria they used in reviewing the EBD.

Thanks, Palmer

**Subject:** Preference on Data Review

Hi Palmer,

I hope this email finds you well. It was great seeing you last week in DC. Sorry we didn't get the chance to talk more. I'd like to talk with you regarding your thoughts on what type of format you would like to see comments regarding review of the EBD. Let me know and I look forward to hearing from and talking with you soon. All my best,

Wayne Nastri
